

THEO 2026–2027 Guidelines for Families and Students

Welcome to THEO! Our mission is to partner with Christian homeschool parents to help students grow academically, spiritually, and personally. We aim to nurture each student's God-given potential in a Christ-centered environment. As Galatians 5:22–23 reminds us, we strive to cultivate love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control.

THEO's core values center around this sentence: THEO is led by the LORD, SERVING each other with HONESTY, INTEGRITY and KINDNESS.

We want THEO to be a place where students' minds and hearts are transformed according to God's will (Romans 12:2). Our teachers and staff are here to encourage and support your family every day, often sharing a verse or prayer in class.

Joining THEO is a privilege. Each student and parent must complete the application and agree to follow these guidelines, reflecting the importance of integrity (Matthew 5:37) and respect for authority (1 Peter 2:13).

A. THEO Property

THEO property consists of the classroom space inside of the building, as well as the lobby, restrooms, etc., but it also includes the parking lot and any area in the surrounding sidewalks and courtyard.

B. Equal Opportunity & Faith Commitment

Students of any race, color, sex, national origin, and ethnic origin are admitted with all the rights, privileges, programs, and activities generally accorded or made available to students at THEO. While THEO does not discriminate on the foregoing bases in administration of its educational policies, admission policies, and scholarship programs, and other school-administered programs, as a religious institution THEO reserves the right to deny admission or to terminate the enrollment of persons whose lifestyle, words or actions, do not align with THEO's statement of faith, code of conduct, or other policies.

C. Our History & Administration

THEO Christian Solution, Inc. began operating on May 1, 2017, building off the foundation established by The Home Educator's Outsourcing Solution, LLC from August 2006 until April 30, 2017. THEO Christian Solution, Inc. is an unaccredited 501c3 educational organization which is overseen by a Board of Directors who entrust day-to-day operations to a Director, who serves, in essence, as headmaster. The Director has the primary decision-making authority, and his/her decisions are final in all matters except where THEO's Board of Directors must act. Parents may request to speak to THEO's Board of Directors in writing or via email to admin@theo.solutions.

As described on THEO's application, THEO's Board of Directors admits students in grades K-12 with a completed application packet which is reviewed by THEO Administration. Due to the collaborative nature of THEO's program, the admission process requires at least one of the student's parents to be a believing Christian who signs in agreement with THEO's Doctrinal Statement. THEO is not affiliated with any specific church, although admission is also based upon regular church attendance to a local Evangelical, Orthodox or Catholic Church. THEO reserves the right to contact references or applicant's church staff for families who are unknown to THEO administration.

The Administration reserves the right to determine whether THEO has adequate and appropriate resources to enroll children with special needs. While THEO does accept some students with special learning needs, physical or other disabilities, THEO does not have a nurse or special education teacher to work exclusively with or provide care to such students. While our teachers and staff do what they can to help such students where it is appropriate to do so, some students are better served in another organization that has personnel trained to meet the students' specific needs.

Admission to THEO does not guarantee the right of any student to register for any or all THEO classes since some classes have prerequisites, some reach maximum capacity, and some are not suited for all ages or grades

D. Dress Code (Modest & Respectful)

The THEO dress code applies to all students and parents at THEO events. Everyone must dress modestly, follow attire and grooming standards consistent with their biological gender, and avoid clothing that distracts from THEO's educational goals.

Students violating the dress code may be sent home without any tuition refund.

All violations are recorded in THEO Jupiter Grades.

3. Cheating or incomplete work may result in dismissal.
4. Tardiness may affect class participation and grades.

6. Not all THEO teachers offer remote attendance. If your student needs to attend remotely, check each class description to see if Zoom is available (regularly or for emergencies) and review THEO's Remote Learning Policies.

G. General Behavior

Students are expected to act in a respectful, Christ-like, and responsible manner at all times while on THEO property. Behavior should reflect maturity, kindness, and consideration for others.

1. **Respect and Conduct:** Students must be polite to all teachers, staff, and peers. No bullying—physical, verbal, emotional, or online are tolerated. Students should not talk while others are speaking, especially teachers, and must stay seated unless instructed otherwise.
2. **Appropriate Interactions:** Public displays of affection are strictly prohibited. All adults should be addressed as *Mr.* or *Mrs.*, and students should be referred to by their given names.
3. **Classroom Etiquette:** No gum is allowed. Food or drink is only permitted with a teacher's approval (water bottles are acceptable). Students are expected to be on time and remain in their assigned classes. Repeated tardiness can result in dismissal from a class.
4. **Electronics Policy:** Cell phones and earbuds are not to be used during class, unless requested from a teacher. If used, they will be confiscated and returned to parents for a \$20 fee. Earbuds must also be removed when being addressed by an adult. Music or videos should never be played during class.
5. **Substances and Safety:** Alcohol, tobacco/nicotine, and illegal drugs are strictly prohibited. Any controlled or illegal substances will be turned over to the Plano Police. THEO will cooperate with law enforcement in serious situations such as violence, abuse, theft, vandalism, or drug activity. No pocketknives or other items allowed on campus
6. **Responsibility and Self-Leadership:** Students are expected to demonstrate self-control and uphold THEO's rules and values without constant supervision.

7. **Special Needs Communication:** Parents must inform teachers in writing—via Jupiter Grades or a sealed note—of any allergies, learning differences, or emotional needs by the end of the first week of classes or as soon as they become known.
8. **Religious Boundaries:** Proselytizing between denominations is not allowed, in keeping with THEO's doctrinal statement.

In summary: THEO strives to maintain a safe, respectful, and Christ-centered environment where students can learn, grow, and lead by example.

H. Discipline Policy

We follow a **three-step approach** for handling discipline:

1. Verbal warning

If more than one verbal warning is needed on one day or multiple days, teachers are encouraged to inform the parent either 1) verbally at THEO 2) via Jupiter Grades Guidance Notice 3) via email or 4) by telephone
2. Optional suspension from class (without refund)

Student may be suspended from class for a day or week depending on conduct. This may include receiving a zero on missed assignments or tests. Suspension is optional, but not being enforced does not mean that the second step has not been completed.
3. Expulsion is an option if repeated behavior occurs.

Immediate expulsion may occur for:

1. Disruptive behavior
2. Use or possession of alcohol, nicotine, or drugs
3. Vandalism or theft
4. Cheating or plagiarism
5. Public displays of affection
6. Defiance or foul language
7. Bullying, including cyberbullying*
8. Opposing THEO's faith or doctrinal statement

*Cyberbullying at THEO involves using any electronic device or communication platform—personal or school-owned—to intentionally and repeatedly harm others, create a hostile environment, or disrupt the educational process.

Examples include:

1. Sending cruel, false, or harassing messages or rumors
2. Sharing inappropriate or explicit content
3. Creating websites or posts that ridicule others

- It is the responsibility of each family to keep all addresses and phone numbers up to date in your profile. Email admin@theo.solutions with changes.
