Introduction

Graduation is always an exciting time and for home schoolers, it is the culmination of years of hard work by students and parents alike. We at THEO are grateful for the opportunity to be a part of your home schooling journey. By offering a 'second-to-none' graduation experience for your family, we are partnering with you in one final event to cap off this journey in a significant and memorable way.

To offer a graduation ceremony that is personal and meaningful, as well as a reasonable length (2 hours max), there is a cap on the number of students that may graduate with THEO. We are blessed to serve many senior students, some of which will take advantage of other good opportunities. Those who wish to graduate with THEO and agree with the terms outlined in this handbook will need to read the handbook in its entirety and follow the detailed steps to be placed on the official list or waitlist.

For those considering graduating with THEO, there are TWO mandatory meetings you must attend in addition to graduation itself. Additionally, we highly encourage you to attend both the informational meeting in January or February of the student's junior year as well as THEO's graduation. *The first mandatory meeting is in April of the student's junior year. One parent as well as the student must attend this meeting. The second meeting, graduation dress rehearsal, is in May, during graduation week of the student's senior year.* It is **imperative** that **both parents as well as the student attend this dress rehearsal**, dressed as if it were graduation day.

Graduation is typically held at Stonebriar Church in Frisco on a Sunday in May. Neither the date nor the location is guaranteed, but THEO has been blessed to secure both our desired facility and date in recent years. The exercises include a brief message by a guest speaker selected by the students/parents, a 10-picture slideshow of each student which includes a recorded parental message of blessing and culminates with the parents presenting their student's diploma. In addition to the graduation exercises, being part of THEO's graduating group also provides an opportunity for monthly graduating class opportunities to socialize.

In January of your student's junior year at THEO, an email will be sent regarding the *informational* meeting in January or February, thus it is imperative to be a member of THEO's communication tools, Jupiter Ed and Constant Contact. At the *informational* meeting, graduation will be explained in detail over a well-organized and fast-moving Zoom meeting.

If your family would like to pursue graduating with THEO: 1) read the entire handbook; 2) confirm you are receiving emails from THEO's administration through Constant Contact by checking your email; 3) be prepared to commit to a volunteer role; 4) complete all necessary forms; and 5) pay the non-refundable \$50 deposit fee (returned if there is no space for your graduate) and 6) attend the MANDATORY Grad meeting in April. Even if the graduation spots do not fill during the spring, the final day to submit your graduation application is May 1 of your student's junior year.

Upon acceptance to THEO's graduation, THEO staff will add you and your senior to the Graduating with THEO group in Jupiter Grades, which will be used often for graduation communication throughout the year – except for the Multimedia coordinator who will use another service.

Graduation fees of \$300, which includes the \$50 non-refundable deposit, cover the following items:

- Cap/Gown/Tassels/Stole
- Diploma (signed by you)
- Graduation program with picture and bio of each graduate – creation and printing

Requirements for Graduation with THEO

- Participate in THEO classes during both semesters of student's junior and senior years.
- One parent OR student must serve during the student's Junior year at THEO's graduation, host an event for the class, or serve during the fall of the senior year at the latest.
- Take at least one class in each semester of the student's senior year at THEO.
- THEO Jupiter Grades and Guidance events are a consideration.
- Priority will be given to those families who have participated in THEO classes for the longest time.
- **Graduates must participate in every group picture *with smiles on their faces*.**
- **Both parents must attend DRESS rehearsal with student the week of graduation and arrive promptly so as not to keep over 150 other parents/students and Church staff waiting.**
- Each graduate is **required** to have a display table, normally 2.5' x 3', on which they will display memorabilia of their education or childhood.
- Music shall not be played from these memorabilia tables out of consideration to fellow graduates and their guests.
- Clean up and remove all your memorabilia table material within the requested time frame.

Because God created a wide variety of people who have a wide variety of tastes, some home educated students and their parents may choose not to have a traditional, cap and gown, formal graduation ceremony which is perfectly acceptable. *Make the choice that best suits your family.*

Please consider whether your family is comfortable with these requirements and prayerfully count the costs mentioned throughout this document prior to committing. You should only apply if you are committed to helping create a tasteful, respectful cap and gown celebration. This event is for those families who want to finish well with a traditional ceremony for their student and guests and is limited in size due to time constraints.

The group is limited to 50 students. Limited admittance to the THEO graduation group ensures the ceremony does not exceed two hours, out of respect and consideration for our guests. During a "normal" year, before COVID, graduates were given unlimited guest "tickets." During COVID, THEO required an RSVP system. We do not expect to have to limit guests for 2025, but please be flexible if something changes. It is everyone's hope and prayer that graduates will be allowed unlimited guests at THEO's 2025 graduation.

Costs for Graduation

Currently, the cost to graduate with THEO is \$300 which includes the deposit. The \$50 deposit is due at the time of application with the balance of the fees due before September 1st of your student's senior year. Other expenses that you may incur and that are your responsibility, include invitations, announcements, yearbook, yearbook ad space for senior bio, senior pictures, senior retreats, lunch gatherings, other class activities or late fees. The late fee schedule for the slideshow and multimedia requirements is different than the fee schedule for payment or program deadlines.

Additionally, there is a time commitment that you should carefully consider. Each family must serve in some capacity (as previously mentioned), will spend time collecting and uploading childhood pictures, will record a message to their senior, will write biographies for the graduation program and must handle emails in a timely manner.

Disclaimer: Graduation fees may increase IF there are unexpected increases in building use or other covered fees. Should Stonebriar Community Church not host us in future years, then the graduation committee will immediately begin the search for a new venue. Every family will be given the opportunity to withdraw from THEO's Graduation Group should that happen. They will be given a full refund of the money paid to that date.

Graduation Group Communication

All THEO families have agreed to membership in THEO Jupiter Grades. Administrative staff will create a subgroup for THEO Graduation 2024 after the Informational Meeting. Upon receipt and acceptance of your completed graduation packet, we will add you to that subgroup. Please confirm no later than May 1, 2024, that both you and your student have been added to the seniors 2025 Jupiter Grades subgroup.

Reminder: If students create an additional group(s) for social activities using apps such as Group Me, etc... they should use language and make choices that follow the THEO guidelines. Any social media group established for THEO seniors 2025 must have at least two adult monitors included in the group.

Graduation Committees and Responsibilities

To graduate with THEO, at least one family member from each family must sign-up in one of the areas of responsibility. As many as 20 students (with parent help encouraged) from the Graduation 2025 group will be needed to prepare, serve, and clean up for Graduation 2024. A few jobs will need to be done prior to the day of graduation. If your student or a parent completes a helping role/service in 2024 graduation exercises, the student's role fulfills the family commitment.

The following are committees which need assistance. Juniors/junior parents that commit to graduating with THEO can sign up at the February Information Meeting. The responsibility role but must be filled/assigned no later than the mandatory April meeting to ensure a graduation spot (assuming the other criteria has all been met and space is available).

Traditional Graduation Day Agenda at Stonebriar Community Church

By joining THEO's graduation exercises, below is the *schedule you may expect*.

2:20 - 2:40 Families enter atrium; immediately set up their graduate's table—*The only people who enter before this time are the Junior volunteers.*

2:40 – 3:45 Photographer begins recording pictures of the tables at 2:40 and must finish by 3:45.

Senior tables **must be completed by 2:40** for photographer to take photos of the tables. ***The photography schedule is very tight--about one minute per table. If your table is not ready at 2:40, she will probably not be able to get a picture of it. As much as possible, everything for your table should be pre-assembled and ready to place on the table when you arrive at the church. We highly recommend you measure off the size and practice assembling your table at home before the day of graduation. Stonebriar limits when we can enter their building, which is what cuts our photography time short. As guests of Stonebriar, we gladly cooperate with their requests.*

2:45 - 3:40 Family portraits taken in the foyer for those who signed-up through Sign-Up Genius.

3:45 Group picture of all graduates in caps and gowns on stairs in Stonebriar foyer.

3:55 - 4:05 Graduates to restroom, then to the second-floor classroom to sign cards/line up alphabetically.

4:20 - 4:25 Parents take seats in sanctuary. Diplomas will be under your assigned seats.

4:30 - 6:30 Pomp and Circumstance played, graduates start down the aisle, ceremony 4:30-6:30.

6:30 – 7:40 Ceremony ends, and reception begins.

Approximately 7:40 Reception ends and families pack up their tables, taking their possessions home.

7:40 – 8:45 Junior Team takes all the leftover items and graduation supplies/totes back to THEO.

****Please, no photography/video or people in the aisles during the ceremony as it obstructs the view of the official videographer. Remember, each graduate will receive a copy of the official DVD.**

Clips of a previous THEO graduation can be viewed by **checking out a thumb drive** from THEO staff in the lobby. The multi-media coordinator may be able to send you a link to view a sample on YouTube. Contact the coordinator directly for that link.

Ideas for the Senior Tables

Each graduate will share a table at the reception where they can display memories about themselves, accomplishments, special interests, pictures, and awards. The tables are in alphabetical order and are covered by a black tablecloth which THEO provides. Table size: Two graduates share one table, and each person has 2.5' x 3' so plan accordingly. You may bring your personal items in a box and place the empty box under the table until the end of the reception when it is time to clean up. You might want to bring small boxes (that you cover with fabric) to add height to some of the items on the table. Often graduates decorate display boards, the type most used for science projects. Be creative, but you should use discernment since you represent THEO with your table and not just your student or family. Graduate tables are unique and a highlight for most that have never been to a Homeschool Graduation. Here are some examples of items that graduates have used in the past.

- Football, tennis ball, baseball, soccer ball, basketball, etc.
- Letter jackets, sports trophies, sports pictures, dance items (shoes, pictures, trophies) etc.
- Hats
- Crafts and hobbies
- Small musical instruments (violin, guitar, flute, etc.)
- Music books (such as piano pieces that you have played)
- Accomplishments – Clubs, organizations, AWANA, Letters from colleges, scholarships, etc.
- College banners
- THEO appropriate Artwork (be careful, these items can fall onto the floor so secure carefully on your table)
- Bible verses or a Bible
- Favorite book or movie
- Basket or creative container for graduation cards to be received.
- Flowers
- A picture of graduate with large mat frame so friends can sign the mat with well wishes
- Sign-in book for comments from friends
- **No balloons allowed by the Church.**
- **No music playing from tables or around tables.**
- **No candy**
- **No glitter at graduation**
- **When planning the table design, please remember that there is a very limited time frame to set up your table in time for the photographer to get a picture of it before the ceremony. Table pictures begin at 2:40.**

Sample Bios for the Graduation Program

(175 words maximum, *written in 3rd person*, send via [email to itorresdesign64@gmail.com](mailto:itorresdesign64@gmail.com) before September 1st-include a Bible verse and senior portrait)

SALLY SUE BELL

Sally Sue, the daughter of Charles and Clara Bell, was born in Plano. As the youngest of four children, she enjoys being “Aunt Sally” to eight nieces and four nephews. Homeschooled for ten years, Sally Sue has always had a love for music, which has become her passion. She has learned to play the acoustic and electric guitar, ukulele, drums, mandolin, and piano.

She enjoys an eclectic taste in recorded music, loves to collect old records, and desires to write music. Sally Sue is a member of the Dallas Junior Orchestra where she plays percussion. She also plays guitar with the worship team at her church, and she toured with a Christian musician’s group last summer, playing guitar in the band. With a unique, quirky sense of humor and a sweet, gentle spirit, Sally Sue has been a light in her family’s hearts and home. Her plans for the future are to further her musical training while waiting for God to show her where He wants to use her talent in serving Him.

Jeremiah 29:11 “For I know the plans for you, to give you a future and a hope.”

DAVID BROWN

From the time he was a little guy, David has been a whirlwind of energy of high-voltage proportions. Whatever daring activity came along, he had no fear of hurling himself full throttle into it! This made for some, needless to say, interesting, but never dull, homeschooling days. Between baseball, Tae Kwon Do, paintballing and many over-the-top stunts, twelve years of schooling are now complete.

Since he was eight years old, baseball has occupied a great deal of his time and energy. He has grown up playing the position of catcher for the Home School Athletic Association and last year enjoyed the thrill of being part of the team that won the Homeschool World Series national title. In the fall, he will continue to follow his love for this sport with a scholarship to play for XYZ University. In addition to excelling in baseball, David also received the rank of 2nd Degree Black Belt in Tae Kwon Do, where he won a national title when he was 14.

Joshua 1:9 “This is my command – be strong and courageous! Do not be afraid or discouraged. For the Lord your God is with you wherever you go.”

Graduation Venue Detail and Background

For the past eleven years, Stonebriar Community Church in Frisco has graciously hosted THEO families' graduation and allowed approximately 2000 guests per year to attend at no charge to THEO or our families. This is unparalleled generosity from *any* Church in the metroplex. THEO pays a nominal fee for the clean-up crew, videographer, and sound board engineer. Historically we have donated the \$500 deposit after the ceremony ends, because we know the wear and tear and A/C costs far exceed the \$500 deposit they ask of us.

Because of Stonebriar's kindness to THEO families, we want to return in kindness by following their rules and respecting their beautiful facility and kind staff, by being the easiest organization with which they work. Terri Threadgill has remained the one point of contact with the Church to ensure that this attitude is always maintained with Stonebriar staff. Despite our best efforts, we know that at some point Stonebriar may grow weary hosting so many graduation events every year when they already use their facility to care for their own members' events, weddings, and funerals. **Our use of Stonebriar for your graduation will not be guaranteed until October or after.** Please join me in praying for us to have favor with Stonebriar. Please join me in seeking ways that we can be a blessing to Stonebriar's staff, but do *not contact them on behalf of THEO or graduation.*

Should they approve our ceremony for the upcoming year, you will need to print their address on your graduation announcements. Stonebriar Community Church - 4801 Legendary Drive | Frisco, TX 75034; the entrance on the WEST side of the church facing Parkwood is the main entrance. They will park in the lots near the tall flags.

- 10 photos – by September 1
- Music Selection – by September 1
- Senior Photo Exchange – by January 31
- Parent Blessing – two or three February Dates to be announced in January.
- Late Fees
- Contact Information - THEOgraduationprez@gmail.com
- VOLUNTEER POSITION TO ASSIST Nathan Jensen during the parent blessing recordings.

A) 10 photos – **due by 11:59 p.m. on September 1. 10 photos (no collages) showing a progression from infancy to current day need to be uploaded to the 2025 THEOGrads Shutterfly site.** On Shutterfly, each graduate will have their own album. The albums will be organized alphabetically. **The photos need to be saved and uploaded in the following manner:** 01.jpg, 02.jpg, 03.jpg, etc. The photos MUST be in a separate folder in Shutterfly to ensure that you do not overwrite another graduates' photos. The number 10 photo is still due by September 1 but can be switched later. This photo is the senior photo and needs to be a good photo of your child as it will be used if a later senior picture is not provided. Photos 1-9 will not be able to be changed after September 1. After September 1, any changes to photos 1-9 will be ignored. After January 31, changes to photo 10 will also be ignored. A video link will be emailed to you with instructions on how to upload your photos.

B) Music Selection –**due by 11:59 p.m. on September 1**– Please email me the title of the song, version or artist and, the time stamp of the 30 seconds of music you want to play while your child's slideshow is playing. For example, "Afterlife", Ingrid Michaelson, Time Stamp 1:28 - 1:58. Please do not send me a link to a YouTube video of the song or send the cutting of the song. Please write out the information and we will purchase the song. If you do not submit the song information as detailed above it will be considered late and you will accrue a late fee – see *Multimedia late fee information*.

C) Recording Parent Blessings – February Dates TBD in January -

i. In January, I will send you a link to sign up for the specific 10-minute window in order to record your parent blessing. Limited dates are offered to record your parent blessing, so you will need to attend one of them.

ii. With 50 graduates, parents are given a 10-minute window to record their 30 second clip. In addition to the parent appointment time, we schedule a transition time between appointments. The parent recordings can take 15 or more hours to gather, which does not include the time to merge your recorded blessing with your slideshow. **Due to the size of the files, it takes hours to render the graduation slide show. Please be patient with us and respect the tight schedule.**

iii. Due to sound quality consistency, you cannot record the blessing on your phone or anywhere else. We have the necessary equipment, and we will do the recordings at THEO when the building is set aside solely for this purpose.

D) Multimedia Late Fees –

i. Late fees are charged if you miss the September 1 deadline for emailing your music information and/or uploading photos to the Graduation Shutterfly site.

ii. Specifically, after 11:59 p.m. on September 1, you will be considered late if you have not submitted the necessary items – *even at 12:00 a.m. on September 2.*

iii. If your ten photos are not uploaded to the Shutterfly site and/or your music selection has not been emailed by 11:59 p.m. on September 1, your family will be charged a late fee of \$50 to the graduation committee. *Paying that late fee buys you seven days to submit your necessary items. The late fee of \$50 is charged for any missing item.*

iv. If you miss the second deadline, an additional late fee of \$50 will be charged if any item is missing – again buying your family an additional seven-day extension.

v. If a second deadline is missed, in addition to the additional late fee, you will be asked to meet with our Graduation Director to determine your participation in THEO graduation. Depending on the situation, you may be asked to make other arrangements for your child's graduation. You will not be refunded the graduation fee if this is decided.

vi. Gathering these photos is a technically challenging job for many of our families. **Therefore, we highly recommend you ask for help early in the summer if you predict these tasks and deadlines will be difficult for you to meet.**
