

Parent Commitment

"I, _____, have read the Graduation Handbook in its entirety, including the Appendix. I understand that participating in THEO Graduation is a privilege rather than a right. I acknowledge offering the event of this size requires much time, effort, planning and many resources; therefore, I understand graduation requires my cheerful participation and attention to detail.

I understand that I must be a current member of JupiterEd with email notifications turned on. In order for the graduation committee to communicate thoroughly, there will be many messages, at times 2- 3 a day from the JupiterEd Graduating 2023, in addition to regular THEO messages. I commit to read all messages (and sometimes text messages) and respond, when necessary, in a timely manner or ensure that my student has done so. _____ **Initial here**

I further pledge to make Graduation a positive and smooth experience for all by completing each of the financial, service and task commitments explained in the handbook and by the deadlines stated therein. Each missed deadline affects other families; therefore, each missed task deadline will result in a late fee (amount varies by category) payable to the graduation treasurer, who will in turn disperse the funds to the coordinator whose job was made more difficult by the missed deadline. Tasks to be completed include but are not limited to submitting pictures and a music clip for the slideshow, emailing a senior bio with accompanying Bible verse and photo, and recording a parent blessing at THEO. At least two dates will be offered to record the parent blessing – both parents are expected to attend the recording session.

It is a privilege to graduate with THEO and some students may be turned away from graduation due to space limitations, I also understand that student behavior as recorded in Jupiter Ed, attitude, missed assignments, and dress code compliance will also be a determining factor in filling the graduation roster.

Finally, I understand that a graduation spot is not finalized until I have completed this form, have completed my student's application and submitted both along with a \$50 non-refundable deposit (which will be returned if no space is available) and received a verification message from THEO through JupiterEd Graduation 2022 Group.
